Featured Speaker: Jack Nisbet

"Through a half-dozen or more books, Jack Nisbet has shown himself to be an astute interpreter of Pacific Northwest history, an insightful naturalist and an excellent storyteller. Two of his earlier books, "Sources of the River" and "The Collector," brought the epic work of Hudson's Bay Company explorer David Thompson and naturalist David Douglas into contemporary focus. His new book of lively essays, "Ancient Places: People and Landscape in the Emerging Northwest" engages the past and present of the Inland Northwest."
